TRIBE ADVENTURE

Having found the perfect base in signature Teepee-style tents at a new desert-themed glamping resort, we go on our yoga quest by the seawater lagoon and beach during the day and by night, we retreat to indulge in the never-ending discovery and beauty of thy self under the unbounded spaciousness of a clear, starry night sky.

HATHA ESSENTIALS, MORNING VINYASA, & EVENING YIN

It's time to turn our backs on the hum of modern life and run away on this fully immersive yoga adventure. Level up your personal practice with customised tips & experience different styles of yoga in different settings to heighten the awareness of our minds and bodies.

INTRODUCTION TO ACRO YOGA

When was the last time you did something new? In this yoga quest to learn something new, challenge yourself to step out of your comfort zone through this introductory workshop to Acro Yoga right by the beach. You will surprise yourself with what you are capable of achieving!

SUNSET PRANAYAMA & MEDITATION

Experience and uncover the power of one's breath to reach a state of calm, balance and bliss through a heightened state of awareness. Relish being in the present out there in mother nature and regain your clarity and focus in the stillness.

LUXURIOUS TEEPEE-STYLE GLAMP TENTS

Just steps from the Crystal lagoon, the largest man-made seawater lagoon in Asia, each teepee-style glamp tent comes with a private bathroom & enclosed patio. Lounge in comfortable social areas or in the privacy of the tents that blends luxury and adventure in earth tone colors.
